Le grafiche esterne delle scenografie sono retroilluminate.
Tutte le grafiche in tessuto sono intercambiabili e sostituibili.

The outside graphics are backlight.
All the fabric graphics are interchangeable and replaceable.

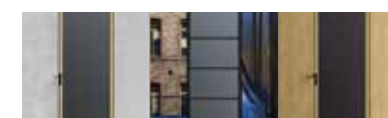

L'uso di led ad alta intensità, consente di retroilluminare immagini stampate su tessuto,
trasformando le pareti in elementi di comunicazione luminosi.

By the use of high intensity led, you can backlight images printed on fabric,
transforming the walls into luminous communication elements.
